Education	Federal University of Technology, Akure		Bachelor of Technology (B.Tech)	
Languages	English Fluent			

Prunedge

Software Engineer

https://prunedge.com

Collaborated within a proficient team to develop a cutting-edge web application meeting global standards.

Optimized website performance via image optimization and code refactoring.

Engaged in agile practices, contributing to sprint planning and ensuring on-schedule feature delivery.

Mentored interns in crafting responsive web projects, fostering their growth as adaptable developers.

Kodecamp

Intermediate React Developer (Intern)

https://kode.camp

Conducted code reviews, provided constructive feedback, and mentored junior developers.

Gained proficiency in React JS and TypeScript through hands-on projects and mentorship.

Collaborated with backend teams to integrate frontend components with RESTful APIs, ensuring seamless data exchange and dynamic content updates.

Assisted in training fellow interns.

SideHustle Internship

Frontend Intern

https://lms.terrahq.co/

Improved efficiency and productivity through learning new skills and applying them to daily web development tasks.

Translated design mockups from Figma into high-quality, pixel-perfect HTML and CSS code.

Collaborated with other interns to accomplish web development tasks efficiently.

Had an overall score of 86% and earned a certificate of honor at the end of the program.
